EXPERIENCE

Overall Coordinator & Operations Lead | Aarohan, MIT-WPU

2023 – 2026

Largest cultural festival of MIT-WPU · Pune · Administration, hospitality & on-ground operations

- Led end-to-end administration and operations for MIT-WPU's flagship multi-day cultural festival with 40,000+ footfall — planning through day-of execution and wrap-up.
- Managed a cross-functional team of nearly 200 volunteers and coordinators across hospitality, logistics, venue control, guest handling, and support functions.
- Owned hospitality and guest experience: participant reception, guest/VIP coordination, helpdesk flow, and on-ground issue resolution throughout the fest.
- Directed venue flow, crowd movement, volunteer deployment, and real-time escalations to keep execution safe, orderly, and on schedule across multiple venues.
- Coordinated with faculty, student bodies, sponsors, and vendors on schedules, permissions, resources, and administrative documentation.

Founder & Operations Lead | CrwdCtrl

Ongoing

Youth events & community platform · Pune · www.crwdctrl.in

- Run an events operations platform for college fests, competitions, treks, and run clubs — 15,000+ users and 15+ college fests across Pune.
- Handled organizer-side administration: registrations, capacity control, check-in coordination, and day-of operational support for partner communities.
- Worked with organizers, sponsors, and campus partners; turned live feedback into clearer processes and smoother event execution.

Operations & Training Support Intern | OccultX Solutions

Dec 2025 – Feb 2026

Remote · Pune

- Supported operational workflows, stakeholder reporting, and structured documentation; assisted academy sessions with clear training materials.
